Executive and Medical Director

Family and Children's Aid of Danbury has a small and very supportive Treatment Foster Care Program with intensive in-home services for school age children. Our Family Support Teams, consisting of a social worker and a clinician go to the foster home to provide weekly therapy for the child and family meetings.

Any family living in the Torrington, Danbury or Waterbury areas are encouraged to participate in an open house to be held on Saturday, March 17th at the Naugatuck Public Library, 243 Church Street between the hours of 11:00 and 1:30.

Telephone inquires and requests for information can be made to 1-888-YOU-BELONG. Please leave a message for Michelle Cintron.
